## Syllabus Framing Meeting

Date: 22.12.2023

### Suggestions & Remarks:

- Skill oriented programmes should give priority.
- Sericulture, Vermiculture, Bee culture. Honey bee culture programmes will start along with the programme.
- Students are motivated to opt independent projects of his/her interest.
- Periodic / defined learning programmes will be conducted.
- Remedial approach for slow learners.
- 'Entrepreneurship' given priority and justified.

Overall I am very much satisfied with the approaches and the work adapted. I feel it's an excellent attempt and nicely covered all aspects as per with NEP.
